Teaming Agreement

This Teaming Agreement entered into this 15th day of August, 2014, by and between JMD Building Products LLC (hereinafter called "JMD" or "Team Leader"), a Kansas Limited Liability Company with principal offices at 13105 Delmar Street, Leawood, KS 66209-4147, and Double Nickel Contracting Inc. ("DNC" or "Team Member"), a New York Corporation with principal offices at 3 Terrell Lane, Hicksville, NY 11801.

JMD and DNC are both individually New York and New Jersey DBE, WBE & SBE Certified Companies. JMD will hereafter be referred to as Supplier and DNC will be referred to as Trucking Company for all solicitations including DBE, SBE, WBE, WOSB and EDWOSB ("Solicitations"). JMD and DNC will hereafter be referred to as the "Teaming Partners".

WITNESSETH THAT:

WHEREAS, United States Government, State, City and Municipal Agencies (hereinafter called the "Customer") have issued and are planning to issue DBE, SBE, WOSB, and EDWOSB Set-Aside Solicitations (hereinafter called the "Solicitations") and,

WHEREAS, the Teaming Partners, because of their diverse and complementary, have determined that they would benefit from a Teaming Agreement for the purpose of competitively responding to the Solicitations, in order to develop the best turnkey solution for meeting materials purchase and delivery as per the established regulations for Solicitations to be in full compliance with established regulations and requirements of the Customer; and

WHEREAS, the Teaming Partners wish to establish a cooperative and supportive team in which each will devote adequate skilled manpower, capital equipment, facilities, and other resources to timely support the objectives of this Teaming Agreement; and

WHEREAS, "Proprietary Information" means technical data, knowledge, patents, marketing data or techniques, cost or pricing information, and ideas that a Party treats as and considers to be unique, valuable, and proprietary, including, without limitation, any information protected under the Trade Secrets Act, 18 U.S.C. § 1905, and information exempt from disclosure under the Freedom of Information Act, 5 U.S.C. §§ 552(b)(3) and (4); and

WHEREAS, the ability of the Teaming Partners to competitively respond to the Solicitations and to obtain and perform the proposed contracts will necessitate the disclosure by each Party to the other of its Proprietary Information; and

WHEREAS, each Party is willing to make its Proprietary Information, as described above, available to the other Party for the limited purpose of competitively responding to the Solicitations; and

WHEREAS, each Party is willing to accept the Proprietary Information received from the other Party in confidence and to hold it in trust for the disclosing Party for use solely and exclusively in connection with competitively responding to the Solicitations, all according to the terms and conditions of this Teaming Agreement; and

WHEREAS, the Teaming Partners believe that it would be inconsistent with their reciprocal disclosures of Proprietary Information, and inconsistent with their reciprocal commitments of skilled manpower, capital equipment, facilities, and other resources in support of this Teaming Agreement, for either Party, after the execution of this Teaming Agreement, to respond to the Solicitations either independently or together with any other Party; and

WHEREAS, the Team Leader, if it receives a contract proposed by the Solicitations would be solely responsible for project management and contract performance, and would subcontract material delivery to the Team Member; and

WHEREAS, the Teaming Partners wish to enter into this Teaming Agreement to set forth more fully the terms and conditions pursuant to which the Teaming Partners will respond to the Solicitations and the Team Leader will perform any contract(s) resulting therefrom.

NOW, THEREFORE, in consideration of these premises, and in express reliance upon the mutual promises and covenants contained herein, the Teaming Partners hereto agree as follows:

I. Proposal Preparation

- A. The Teaming Partners shall use their best efforts to prepare competitive proposals in response to the Solicitations for submission to the Customer.
- B. The Team Member shall submit to the Team Leader data and information concerning its share of the proposed contract including a proposed price, for use in proposal preparation. The Team Member shall make available appropriate and high quality personnel to work on the Team Member's portion of the competitive proposal, and shall provide reasonable assistance to the Team Leader in preparation of the competitive proposal.
- C. The Team Leader shall prepare the competitive proposal, integrate the information provided by the Team Member, and submit the competitive proposal to the Customer. The Team Leader shall include in the competitive proposal the Team Member's proposed price for the Team Member's share of the contract proposed by the Solicitations. The Team Leader has responsibility for the content of the competitive proposal and agrees to consult with the Team Member, before submission of the competitive proposal to the Customer, on all matters concerning the Team Member's share of the contract proposed by the Solicitations.
- D. The Team Leader shall identify the Team Member as a proposed subcontractor and shall describe in the competitive proposal the Team Member's responsibilities concerning the Team Member's share of the proposed contract. The Team Leader shall use its best efforts to secure Customer approval of the Team Member.
- E. The Team Leader shall be responsible for any communications with the Customer concerning the Solicitations, the competitive proposal, or the contract proposed by the Solicitations, and agrees to give the Team Member an opportunity to be present at meetings with the Customer that may concern the Team Member's share of the proposed contract.
- F. The Team Leader agrees to consult with, and obtain the written consent of the Team Member, before making any changes in the competitive proposal which concern the Team Member's share of the proposed contract.
- G. The Team Leader agrees to keep the Team Member fully advised of any changes in the Solicitations or the Customer's requirements and timely advise of the status of the Solicitations.
- H. The Team Leader shall use its best efforts after submission of the competitive proposal to the Customer to obtain the contract award, and the Team Member agrees to assist in such efforts as the Team Leader may reasonably request.

II. Division of Responsibilities

The division of the contract work is predicated on the Teaming Partners' understanding of the Solicitations and the Customer's requirements as stipulated in each Solicitation. Should the Solicitations, when issued, reflect a change to this understanding, or should the Solicitations be modified, the Teaming Partners shall have the right to modify the contemplated division of the contract work.

III. Applicability and Relationship of the Teaming Partners

A. Applicability:

This Teaming Agreement relates solely and exclusively to the Teaming Partners' establishment of and performance as a team with respect to the Solicitations and to the correlative rights and duties of the Teaming Partners within that team.

B. Relationship of the Teaming Partners:

1. The Teaming Partners hereto create a team to prepare a competitive, cost-effective proposal in response to the Solicitations. Nothing in this Teaming Agreement shall be construed to grant either the Team Leader or the Team Member the right to make commitments of any kind for or on behalf of the other Party, without the prior written consent of the other Party.
2. The Team Leader shall not solicit from any other firm the contract work that the Team Member is proposed to perform unless, after reasonable efforts by the Team Leader, the Customer will not approve the Team Member as a subcontractor. The Team Member agrees that during the term of this Teaming Agreement it will not participate in the submission of a competitive proposal in response to the Solicitations as a prime contractor, consultant, or as a subcontractor to any other firm(s). This Teaming Agreement shall not preclude either Party from competing for, or contracting independently, from the other on any other government or industry program that may develop or arise in the general area of business related to the Solicitation.
3. Team Leader and Team Member shall act as independent contractors in the performance of this Teaming Agreement, and neither Party shall act as agent for or partner of the other Party for any purpose under this Teaming Agreement. The officers and employees of one Party shall not be deemed the employees of the other Party. Nothing in this Teaming Agreement shall be deemed to constitute, create, give effect to, or otherwise recognize a joint venture, partnership, or formal entity of any kind, and the rights and obligations of the Teaming Partners shall be limited to those expressly set forth herein. Nothing contained in this Teaming Agreement shall be construed as providing for the sharing of profits or losses arising out of the performance of any contract proposed by the Solicitations. Except as expressly provided herein, neither Party will be liable to the other for any costs, expenses, risks, or liabilities arising out of the other Party's participation in the preparation, submission, or sustaining of competitive proposals under the Solicitation, including, without limitation, costs or expenses incurred in pre-proposal activities, in the preparation and sustaining of a proposal, in the clarifications, discussions, or selection process, in benchmark, qualification, operational capability, and/or first article testing or demonstrations, or in protests or other litigation challenging any prime contracts awarded, or intended to be awarded, by the Customer.
4. All contacts with the Customer with respect to the Solicitations shall be the responsibility of the Team Leader. Any contacts made by the Team Member with the Customer concerning work proposed to be performed by the Team Member under any contract that may result from the Solicitations shall be with the full knowledge and concurrence of the Team Leader.

IV. Responsibilities of the Teaming Partners

A. The Team Leader shall:

1. In a timely manner, furnish to Team Member the Solicitations and any amendments thereto issued by the Customer.

2. In a timely manner, keep Team Member fully informed of significant events, deadlines, and milestones regarding the Solicitations.
3. Prepare and submit to the Customer, all proposals and other submissions required or requested by the Customer, provided however, that any proposal submitted by Team Leader to the Customer shall identify Team Member as a principal subcontractor to Team Leader and, provided further, however, that Team Leader, as proposal manager, shall make the final determination regarding the form and content of the proposal, including, without limitation:
 - a. the cost or pricing proposal or information related to prices submitted to the Customer, subject only to the limitation that Team Leader shall not reduce the price proposed by Team Member for Team Member's proposed contract work without the prior written consent and approval of Team Member; and
 - b. the content of the technical, business management, or other proposals submitted to the Customer, subject only to the limitation that Team Leader shall not change any of the information proposed by Team Member for Team Member's proposed contract work without the prior written consent and approval of Team Member; and.
4. Maintain responsibility for all contacts and communications with the Customer and for all decisions relating to the competitive response to the Solicitation, provided however, that Team Leader shall not unreasonably exclude Team Member from participating in Customer communications regarding the Solicitation.
5. Upon award to Team Leader of any contract resulting from the Solicitations, but subject to Team Member's satisfactory discharge of its antecedent obligations under this Teaming Agreement and except as otherwise agreed upon by the Teaming Partners, Team Leader shall award to Team Member a subcontract for the performance of such share of the contract work for which Team Member submitted a proposal or for such other work agreed upon by the Teaming Partners, provided however:
 - a. that such proposed subcontract shall be subject to the approval of the Customer;
 - b. that such proposed subcontract shall be negotiated in good faith by the Teaming Partners and shall incorporate the terms of this Teaming Agreement by reference;
 - c. that such proposed subcontract shall include all clauses required by law, regulation, and such clauses incorporated in Team Leader's prime contract that, by its terms, must be incorporated in subcontracts awarded by Team Leader;
 - d. that such proposed subcontract shall not include any provision authorizing the termination in whole or in part of the contract work to be performed by Team Member hereunder for the convenience of Team Leader or the Customer, or either of them, unless Team Leader's prime contract shall first have been correspondingly terminated, in whole or in part, for convenience, and only if the portion terminated by the Customer corresponds with the Team Member's share of the contract work;
 - e. that such proposed subcontract shall require Team Member to indemnify Team Leader for and against any and all claims and losses arising out of the inaccuracy, nonoccurrence, or incompleteness of cost or pricing data or information related to prices submitted or required to be submitted by Team Member to the Team Leader or the Customer, and/or the failure of Team Member to comply with applicable requirements of the Federal Acquisition Regulation and regulations promulgated by the Cost Accounting Standards Board;

f. that such proposed subcontract shall not be effective until Team Member executes and submits (where required) to Team Leader all certifications required by law, regulation, the terms of the Team Leader's prime contract, and the Solicitations.

6. As proposed prime contractor under the contract proposed by the Solicitations, Team Leader expressly warrants, covenants, and agrees that all of its officers, employees, representatives, agents, and consultants who participate personally and substantially in the Solicitations are aware of the federal Procurement Integrity Act, 41 U.S.C. § 423, requirements and know that they must immediately report any information concerning a violation or possible violation of the Procurement Integrity Act. Further, Team Leader warrants, covenants, and agrees that each of its officers, employees, representatives, agents, and consultants who participate personally and substantially in the Solicitations have certified in writing to Team Leader that he or she is aware of the federal Procurement Integrity Act requirements and knows that he or she must immediately report any information concerning a violation or possible violation of the Procurement Integrity Act.

B. The Team Member shall:

1. In a timely manner, respond to all reasonable requests by Team Leader for all data and information, including, without limitation, Proprietary Information and any other specifications, designs, process information, cost or pricing information, or information related to prices needed by Team Leader to successfully compete for the contract proposed by the Solicitations.

2. Participate, to the extent deemed necessary or desirable by Team Leader in negotiations, discussions, and other communications with the Customer, it being expressly understood and agreed that Team Member shall not participate in any communications, clarifications, discussions, or negotiations with the Customer concerning the Solicitations without the prior express approval of Team Leader.

3. Execute and submit to Team Leader all certifications required by law, implementing regulations, the terms of the Team Leaders' prime contract, or the Solicitations.

4. Upon award to Team Leader of a contract resulting from the Solicitations, accept and perform subcontract(s) for such of the contract work for which Team Member submitted a proposal and/or as otherwise agreed upon by the Teaming Partners, provided, however:

a. that such subcontract(s) shall be subject to the conditions set forth in paragraph A. of this Section and any other provisions of this Teaming Agreement; and

b. in the event that the Solicitations or the Team Leader's prime contract requires Team Leader to comply with requirements for submission of cost or pricing data, or information related to prices (e.g., established catalog or market prices), Team Member shall provide Team Leader the data or information, including, as appropriate, a Standard Form 1411, a Standard Form 1412, and/or a Certificate of Current Cost or Pricing Data. Nothing in this subparagraph or in any other provision of this Teaming Agreement shall be construed as giving one Party the right to audit the books and records of the other Party.

c. Team Member agrees to take responsibility for its cost and pricing data or information related to prices and hold Team Leader harmless to the full extent of any price or cost reduction effected by the Customer that may result from: (i) the cost or pricing data or information related to prices submitted or certified by Team Member; or (ii) the failure by Team Member to disclose and consistently follow applicable cost accounting practices and standards or otherwise comply with the Federal Acquisition Regulation, applicable agency supplements, if any, and regulations promulgated by the Cost Accounting Standards Board.

5. Extend to Team Leader at all times such cooperation as reasonably requested by Team Leader to facilitate successful competition for the Solicitations.
 6. In connection with the Solicitations, Team Member specifically agrees not to submit any data or information directly to the Customer regarding the Solicitations without the express written consent of Team Leader.
 7. Team Member expressly warrants, covenants, and agrees that all of its officers, employees, representatives, agents, and consultants who participate personally and substantially in the Solicitations are aware of the federal Procurement Integrity Act requirements and know that they must immediately report any information concerning a violation or possible violation of the Procurement Integrity Act. Further, Team Member warrants, covenants, and agrees that each of its officers, employees, representatives, agents, and consultants who participates personally and substantially in the Solicitations have certified in writing to Team Member that he or she is aware of the federal Procurement Integrity Act requirements and knows that he or she must immediately report any information concerning a violation or possible violation of the Procurement Integrity Act.
- C. In the event that the Team Leader or the Team Member concludes that a protest is in order, either protesting the Solicitations, the acquisition process, or an award or contemplated award, the Team Leader shall be the protesting party, supported as appropriate by the Team Member. If the Team Member decides that a protest is in order but the Team Leader does not wish to pursue the protest, then the Team Member is authorized to pursue the protest for the Teaming Partners, and the Team Leader shall provide such support as is necessary to enable the Team Member to pursue the protest on behalf of the Teaming Partners.
