**Georgia's DBE Certifying Agency no longer issues annual approval and recertification letters. To determine if a firm is currently DBE certified in Georgia and/or to verify a firm's NAICS codes, go to Georgia's on-line DBE Directory. If a firm is not in Georgia's DBE Directory, it means that the firm is not certified by Georgia DOT.**

**ANNIVERSARY DATE: Annually on October 14**

Julie Marie D'Agostino:

The Georgia Department of Transportation has reviewed your Georgia Uniform Certification Disadvantaged Business Enterprise (DBE) application. Our evaluation of the information submitted with your request for certification indicates that your firm has met the criteria outlined in Federal Regulations 49 CFR, Part 26.

DBE Certification will be continuous; however, it is contingent upon the firm maintaining its eligibility annually through this office. You will receive an Annual Affidavit for Continuing Eligibility (AACE) and request for Personal Financial Statement (PFS) approximately thirty days prior to your firm's certification anniversary date. **The Annual Affidavit for Continuing Eligibility document must be completed, signed and returned to our office before your anniversary date in order to continue your firm's eligibility as a DBE.**

Your firm will be listed in Georgia's UCP DBE Directory which can be accessed through the Department's website: [www.dot.ga.gov](http://www.dot.ga.gov). Prime contractors and consultants can verify your firm's DBE certification status and identify the work area(s) for which the firm is DBE eligible through this Directory.

**Your Vendor ID Code is: 13856**

Changes also include but are not limited to officers, directors, management, key personnel, scope of work performed, daily operations, ongoing business relationships with other firms or individuals, or the physical location of your firm.
