Dear Julie D'Agostino,

Please be advised that Allegheny County has goals of 13% Minority and 2% Women business participation and tracks MBE/WBE participation on county contracts. This is in accordance with Allegheny County Administrative Code.

The designation of Minority, Women, or Minority/Woman does not appear on the official PA UCP certification approval letters. Therefore, this letter serves as a secondary letter to reflect your designation as a Woman Business Enterprise (WBE) for tracking purposes only.

After the application/annual affidavit has been processed and approved, you will receive this letter in addition to the official PA UCP certification letter.
